Experience

Cathay Medical Center - (702) 362-6373

Las Vegas, Nevada 2013-2017

I've done on and off jobs for Cathay Medical Center ever since I was in 8th grade. I've fixed their computers, helped with handling medications, organized folders, as well as other general office work. I'm decently versed in EMRs such as Practice Fusion and Lytec.

Accomplishments

- General IT Work: Fixing computers and printers, diagnosing hardware and software problems, etc.
- Built and repaired multiple computers for employees

FBLA, Southwest CTA

Las Vegas, Nevada 2014-2017
